No. 26, South Second Street,

This great Tonic has been introduced to the

people of the Mississippi Valley for the past

thirteen years with unbounded success and

popularity.

There is nothing of the kind extant that

equals it as a stimulant, an aperient, or anti-

diabetic. It is particularly adapted to malar-

ious districts and as a

Preventative of Chills,

is not surpassed.

It is endorsed by the best chemists as the

most efficacious, strengthening Tonic this

country has ever produced, the value of which

will be recognized by all who may use it.

Private citizens of Arizona visiting St. Louis

have expressed their convictions that it is

particularly adapted to the wants of that Ter-

ritory, and needs only a trial to insure speedy

introduction there.

Orders addressed to THE WEST INDIA

promptly executed. dec 13-41
